ABOUT LIDO: Lido, Dolphin Bay's fashionable and comfortable signature restaurant serves seasonal Coastal Wine Country Cuisine by Chef Evan Treadwell. Lido's menus include fresh seafood, farm-fresh vegetables, and locally raised meats and poultry, all prepared with classic techniques and served in artful presentations. Additionally, all selections are available in two sizes, allowing guests to create their own tastings or stick with traditional courses. When paired with wines from some of California's most renowned vineyards, Lido's cuisine proves to be a culinary mirror of its spectacular surroundings. Enhancing the dining experience is a specially commissioned grand chandelier fashioned out of Murano glass. This stunning one-of-a-kind piece was inspired by the beauty of the sea and custom-made in Italy by Barovier & Toso.
